## August 2015

With the days becoming longer and warmer we are all starting to venture out again. While it has been quiet on the outdoor expo front this has been fabulous for some inside events all around the country. Visiting sunny Brisbane and Perth has provided a brief glimpse of some of that warmer weather and the interest the Livos products are creating.

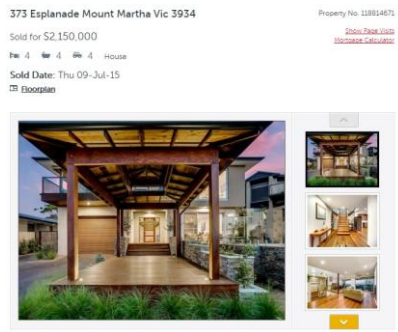

We love to hear from you so please [let us know any feedback](#)

Kindest regards *Angela Petruzzi*

## Sustainable features sell houses!

This beautiful home in Mt Martha with its careful consideration in design and building materials is a Zen-infused luxurious home with a coveted 8-star energy rating. Using 80% less heating and cooling than the average Australian house and a wide range of eco features helped it achieve a great sales price. The extensive timber floors all feature Kunos. ## Livos Australia Video Coming Soon

Discover the Livos difference. This is a 1.30 min overview of the Livos benefits in a quick and easy to understand format. When it is all complete it will be added to our website.

## Kings Park Perth

While having a quick trip to Perth for an expo it was great to visit Kings park and botanical gardens in the heart of Perth to see that after the initial test on a marine ply shelter that the Livos oils will now be used extensively throughout the park.

## Local Workshops

With Spring weather arriving it's time to book in now for these local workshops, places are limited

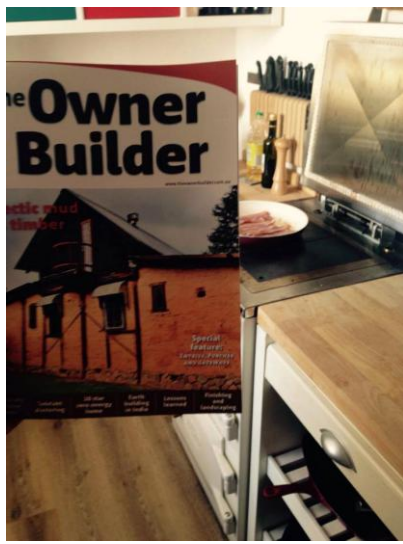

- Environment Shop in Castlemaine: Thursday October 15 at 5.15pm
- Organature in San Remo: Saturday October 24th at 1pm
- Teros in Hobart: Friday 2nd of November at 6pm

## Sustainable House Day

Sustainable house day is on for 2015, this is a great opportunity for hundreds of thousands of people to visit some of Australia's leading green homes – ones that are not only environmentally friendly, but cheaper to run and more comfortable to live in.

## Superpod, Austral ply & Livos

In the July edition of the Austral Plywoods newsletter for 2015 the collaboration between Austral ply, Superpod and Livos has shown to be a winning combination. With one of Austral Ply's favourite projects the "Superpod home" taking out the 2015 International Good Design Award in Sydney recently!

With ply being such a popular sustainable feature in homes today it is wonderful to see it enhanced with the Livos eco oils.

## Tide Design's WAKA

Tide furniture has another amazing design, the WAKA. These stunning tables are made in American Oak with a Kunos oil finish for a beautiful natural look and feel. They are also available in Tasmanian Oak and American Walnut.
