## August 2017

At the end of this month Angela is off on a well deserved holiday to Thailand for 11 days to soak up some warm weather! Most of us Melbournians have forgotten what that is! In the meantime, she has been very busy visiting architects all around Melbourne and also travelling interstate for Awards Nights and Trade demo's! We love to hear from you so please [let us know any feedback](#)

Kindest regards *Angela Petruzzi*

## Opening hours update

As of the month of October, we will be changing our opening times to every 2nd and 4th Saturday. However, to make it more convenient for you, we are extending our trading hours from 9.00am till 1pm. We will be closed for public holidays that fall on the 2nd or 4th but are happy to negotiate times by appointment.

## Handy hint for left over paint

Did you know if you have any left over Livos paint you can leave it to dry out and use it for chalk? As chalk is one of the ingredients of our paint it makes a perfect and completely natural and fun activity for the kids!

## Sanctuary Issue 39

Sky Farm Studio- with health driving the brief, a distinctive studio-home in rural New South Wales prioritises non-toxic materials and brims with beautiful natural features. Livos has been used on bench tops, floors and timber features. To read the article [click here](#).

## Spec-Net

Livos appears in the latest edition of Spec-net. To view our natural, non toxic paints and finishes [click here](#).

## Owner Builder

302 AUGUST / SEPTEMBER 2017 \$9.50

BACKYARD STUDIO • WATTLE & DAIR • BUS CONVERSION • UPCYCLING

## Owner Builder

Ettalong on the NSW Central Coast is flat and sandy, once mainly occupied by modest fibro beach holiday houses. Now it's a desirable suburb of Gosford, which itself has become almost a commuter suburb of Sydney. Livos has been used on the compressed fibre cement benches. To read the article [click here](#).

## New blog- 10 star home!

Featured on Better Homes and Gardens, this beautiful 10 star home features Livos oils on the concrete, some internal timber and external timber! To view the whole blog [click here](#).

## ATFA Awards night

The annual Australian Timber Flooring Association awards night was held in Sydney this July. Whilst a quick visit, it was a pleasure to attend and meet others in the industry. Many attended from interstate and overseas to join in the accolades of all award winners.

## ATFA Trade night Newcastle

For the first time, the Australian Timber Flooring Association has hosted a trade night in Newcastle NSW! Held at the Newcastle TAFE Campus it was great to see so many in the trade eager to improve on their know how. Whatever the industry, trade nites offer a wonderful opportunity to hear, see and experience what is new in the industry. A great opportunity to connect with not only immediate suppliers and work colleagues but also associated industries.

## Customer Feedback

Always lovely to hear feedback from clients, and we can't help but share!

### DIY customer project

One coat of Livos "Kaldet" green wiped on.

Personally I really dislike pine furniture, particularly when it is stained to look like mahogany etc hence we decided to go with something bright and very unlike natural pine.

Very very happy with the result and colour, love the bright green and it fits perfectly on our bright, flowery patio.

“After exploring various options, I had Angela and team sand and oil the timber floors in the living areas of my home. The work was completed to a high standard and was well above my expectations. The oiled finish looks very nice, is durable and easy to maintain. The eco-friendly natural oil has added to my satisfaction and long-term peace of mind. Angela is very approachable and knowledgeable; I have no hesitation recommending her service. Thank you again Angela.

May I give you some feedback? I am sure you would expect that I have been going through this process with a number of companies. But I would like you to know that Livos has been the most responsive and informative, and you in particular have provided an extremely high level of service. This is greatly appreciated and instils such confidence in me that we will get the result we want.

Myrine

### DIY customer rejuvenation

Wow, thanks for your help today Angela. Had no idea what such a small amount of oil could do. Only used maybe a quarter to half litre on about 40 square metres and looks amazing. Thanks.

James
