February 2018

Although February is almost over, welcome to 2018. There are lots of new and exciting things coming for Livos this year. We'll be travelling around the country and attending lots of shows and exhibitions. We would also like to welcome our newest staff member, Stacey, aboard!

We love to hear from you so please [let us know any feedback](#)

Kindest regards *Angela Petruzzi*

## 2015 index heading

- ["The Cape" Sustainable housing](#)
- [Product of the month- Kunos countertop oil](#)
- [Student Woodworker awards](#)
- [Congratulations to David Mac Laren](#)
- [HIA Home Show](#)
- [Design Build](#)
- [Light bulb saver app](#)

## "The Cape" Sustainable housing

Congratulations to all involved with The Cape sustainable housing, it was awarded 2 awards in the 2017 Premiers Sustainability Awards 2017

### BUILT ENVIRONMENT

The Cape – The Cape Sustainable Housing Project, Cape Patterson

### ENVIRONMENTAL PROTECTION

The Cape Sustainable Housing Precinct, Cape Patterson  
What an exciting project. Thrilled to have worked on one of the homes with another home being treated with the Livos oils on the concrete floor and timber internal and external by the builders.

## Product of the month- Kunos countertop oil

The countertop oil is heat resistant to 50 degrees and certified food safe, a coating that's perfectly fine to come in direct contact with food. The lovely bowl in our centrepiece was made by the talented Don Kelman. For more information on the countertop oil please click [here](#).

## Student Woodworker awards

Congratulations to Jack Wilcox from St Mary's College in Broome on his win for the Popular Choice student woodworker award. He has made a beautiful mobile butchers bench from recycled single use pallets which he has then treated with the Kunos countertop oil. An amazing piece by the talented year 12 student. For more information and to see more pictures please click [here](#).

## Congratulations to David Mac Laren

David, who is the Bungendore Wood Works Gallery Founder and Artistic Director has been awarded the Medal of the Order of Australia in the Honorary division within the Australian honours system for service to the art of woodwork, and to the community of Bungendore. For more details on what the award entails and David's response please click [here](#).

## HIA Home Show

We will be exhibiting at the HIA Home Show, stand F31 at The Melbourne Convention and Exhibition centre, South Warf, Melbourne from the 5th till the 8th of April. Pop down and say hello and discuss all your painting and finishing needs! For more information including prices and parking please click [here](#).

## Design Build

We will have a stand at the Design Build show at the Melbourne Exhibition Centre from the 2nd till the 4th of May. Specifically designed to target architects, builders and designers so suppliers and manufacturers can showcase all products to a targeted audience. For more information please click [here](#).

## Light bulb saver app

This handy app helps you to calculate how much money you can save by replacing your current lights with energy efficient alternatives. With the lighting contributing to 10-15% of your average electricity bill it's not only good for the environment but also your wallet!

## Client Feedback

It's always lovely to hear such positive feedback from our clients.

"Good morning Angela,

Just a note to say how incredibly happy we are with our floor! Jami and Rob have done an amazing job and it is sooooo beautiful! Rob was very patient with us on what to fill and what not to fill and we are very pleased to have our 'natural features' showing through while still having a perfectly soft and sleek floor. The oil has enhanced all the grain and the variance in colour without being overly glossy – we love it. It is simply gorgeous.

And thank you, specifically to you, for all your advice, information and patience. This has been a great experience ☺

Thanks again,"

Myrine

## Lake Tahune Hut rebuild Tasmania

Stay tuned for what are sure to be some amazing photos of the Lake Tahune Hut rebuild at Frenchman's Cap. An area of Tasmania that has remained so untouched and developed they even have to get a helicopter in to transport all the materials!
