- Huile Terrasse
- Aceite para terrazas
- Olio protettivo per esterno
- Terrasseolje

### Protection... in wind and rain

**ALIS Decking Oil No. 579** is a water resistant and an open-pored oil for the first treatment and care of deckings and wooden facades. ALIS dries quickly and refreshes wooden surfaces. It does not chip or flake and stays smooth and maintenance light.

ALIS Decking Oil is applied with a brush on dry surfaces and with two coats on wooden decks and with three coats on wooden facades. The air temperature should be warmer than 10°C.

ALIS Decking Oil is now available in 7 different colortones of which samples are printed on the back.

Further information as well as the safety advises you will find on our Technical Data Sheets (TDS) and on our labels and packaging.

All LIVOS products have been tested intensively to guarantee advantageous working properties. All ingredients are disclosed in the context of a controlled full declaration. The sourcing of raw material as well as the production is carried out according to social and ecological guidelines. Besides, LIVOS neutral products undergo external scrutiny by the German Institute for Quality Management and Environmental Hygiene Control (IQUH).

For further information, please contact your LIVOS retailer or contact us directly, or visit our website [www.livos.de](http://www.livos.de) or call our hotline +49(0)5825-8830.
