December 2016

The team at Livos Australia would like to thank all our loyal clients, friends and acquaintances a very Merry Christmas and a safe and Happy New Year. May you find the time to spend some quality time with friends and family at this special time of year. We thank you for

your loyalty and look forward to your future contact.

If you have any feedback or would like to share any of your projects that you have used our products on, we would love to hear from you so please [let us know any feedback](#)

Kindest regards *Angela Petruzzi*

We would like to Congratulate Allie and Dan!

Allie and Dan Hampton have welcomed a beautiful little baby boy into this world. Marshal and Allie are happy and healthy.

Although we cannot wait to have her back, Allie is currently on maternity leave enjoying precious time with her new baby boy. We wish Allie and her new little family a very Merry Christmas and a Happy New Year!

Christmas and New Year Opening hours.

Livos Australia will be closed for the Christmas and New Years period between the 23/12/16 and 03/01/17.

Closing at 4:30 p.m. on Friday 23.12.16 and reopening Tuesday the 3.1.17.

Our newest Blog

Do you really know what's in your child's Face Paint?

Face painters are everywhere...at fetes, farmers markets, birthday parties, festivals and school events. And, with Christmas just around the corner, purchases of face and body paint will be at their peak.

But, what is in face paint? What is actually being absorbed by your child's skin or ingested when it's applied near their mouth? For the full blog and to find out how our Livos Face Paints

compare [click here](#).

Sanctuary News 37 - When is concrete floor the right choice?

In this article Dick Clarke explains the benefits and design considerations when using concrete, and some alternative.

Livos Australia has been featured in this article with a beautiful concrete floor finished with Kunos Natural Oil. To read the full article on 'when a concrete floor slab is the right choice' and to view the images, [click here](#).

Amelia Hill - My toxic home was poisoning me.

Your home should be your sanctuary...a place where you can feel safe. But what if our home was doing the opposite, what if it was making us really sick?

Livos natural tile adhesive was used in building a low toxin home. For Amelia's full story on living with Multiple Chemical Sensitivity and building a low toxin home, [click here](#).

SPEC_NET - Avoid Chemical Sensitivity with Hypoallergenic Paints from Livos.

How many people do you know that have some form of allergy or sensitivity, whether the exact cause is known or not? Why does Australia have one of the highest asthma and allergy rates in the world? Part of the answer lies in the ever-expanding isles in hardware stores stocking various paints and coatings. This is not the complete answer to the question by all means, but it is a part of it. For the full article [click here](#).

Our new Website

We have now updated our website to make it more user and mobile friendly! So although we are closed for a period of time over Christmas and New years, all the information you may need, including product information/advice and application as well as product Material Safety and Technical data sheets can

all be found on our website. So please visit us at
www.livos.com.au for any information you may need.
