

Case study: Rejuvenation of Collingwood Town Hall

Site: Hoddle St, Collingwood

Flooring: Previously varnished, top nailed, spotted gum flooring oiled with Koimos Parquet oil #277

History: The hall has been rented out to various organisations and the public with a full events colour. Used for various meetings and functions with food and alcohol.

Maintenance: Due to the nature of the functions the floor was washed earlier than recommended. Cleaning is with the Trena PH Neutral cleaner.

Rejuvenation: 2.5 Litres of oil, 5 white pads and 4 maroon pads.

Cost: Labour and materials (GST inclusive) \$4 per square meter.
